

REMARKS

The following remarks are supplemental to the Request for Continued Examination and accompanying Submission under 37 C.F.R. § 1.114 filed November 28, 2007.

In an effort to advance prosecution of this application and without acquiescing to the propriety of the rejections of claims by the Examiner, claims 1-24 have been canceled without prejudice. The right to prosecute the subject matter of any canceled claim in this or any other application is hereby reserved.

Former, now canceled, claim 18 is pending in a continuation application, filed concurrently herewith, of the present application.

Claims 25-27 are pending.

As discussed in detail in the Submission filed on November 28, 2007, it is believed that claims 25-27 are novel and non-obvious over the cited references.

CONCLUSION

In light of the remarks set forth above, it is believed that the pending claims are in condition for allowance. Should the Examiner have any questions, the Examiner is encouraged to telephone the undersigned.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit account No. 23-2415 (Attorney Docket No. 36091-701.501).

Respectfully submitted,
